RACE TEAM

INFORMATION

Looking to Elevate Your Program?

Forward Direction Motorsports can build a program to suit your needs and budget. ✓

We have the resources and knowledge to propel drivers to wins and championships at every level of karting.

We offer everything from driver training, race day technical support, complete logistical event management, to full arrive & drive type race programs.

Compkart, Our Exclusive Chassis Partner

×

FDM utilizes the **Compkart chassis** for all of our Race Team services and events. Working closely with the US based company, FDM is the Western USA's factory supported Race Team. We receive direct support and technical assistance at national events. FDM also aids in the development of the Compkart chassis line for the US market.
